Consent and Waiver

COVID-19 VACCINE ADMINISTRATION

I, _____, acknowledge that I am receiving a COVID-19 vaccine through a specific manufacturer that will be outlined to you in advance of the vaccine. The nurse administering the vaccine, under the overall supervision of a physician, is not administering care for or in expectation of compensation.

I have agreed that I have signed an informed consent and have answered the questions to the best of my ability. This form is to acknowledge that healthcare workers from Austin Health Partners, or one of the pediatrician's offices associated with Austin Health Partners, is offering this service free of charge and is not charging for or requiring any insurance information from you as a part of this service. This vaccine provided to you is offered as a part of a charitable service.

No record of the vaccine will be kept or maintained in any form except for required reporting as required by state and federal law and any information to you about your particular vaccine will not be available to you in the future. It's your responsibility to keep up with any vaccine card and nothing will be kept on file for you to retrieve in the future. You are expected to sit and wait for the specified time as outlined by the nurse and by signing this form, you agree to follow whatever instructions are given to you.

I also understand that as a volunteer health care provider, the physician who is supervising the nurse is immune from civil liability for any act or omission resulting in death, damage, or injury as long as the volunteer acts in good faith and in the scope of his or her duties within the organization in providing the health care services.

The physician or healthcare organization who is sponsoring or working to give vaccines is not establishing a physician/patient relationship with you by undergoing this free service.

I agree that if and when I feel pain or am uncomfortable with the procedure or the trainee, I will notify someone immediately.

Furthermore, I realize that the civil liabilities of the employee of the organization are limited to money damages per state law. I hereby agree to **RELEASE AND HOLD HARMLESS SURE, INC FROM ANY CLAIMS, DEMANDS, OR LIABILITIES ARISING FROM ANY PHYSICAL OR PSYCHOLOGICAL INJURY RESULTING FROM THIS VACCINE.**
